

Marriage Protection Pledge

I, _____, pledge to the families of the state of West Virginia, if I am elected to serve as a member of the West Virginia State Legislature, that I will protect the definition of marriage. I firmly believe this definition is as follows:

Marriage, whether entered into within or outside of the United States, shall consist of the legal union of one man and one woman. Every person has the right to marry a person of the opposite sex, subject to state laws based on age and consanguinity. The uniting of persons of the same or opposite sex in a civil union, domestic partnership or other similar relationship shall not be valid or recognized with any legal benefits or privileges in West Virginia.
